

# Side Panels

## Standard Side Panels

- Cannon side panels are normally included in a standard cabinet build
- Side panels are available as spares or may be ordered separately (Not suitable for Smart Space Cabinets)
- Side panels locate easily into the cabinet and lock by the means of two identical locks

## Finish

Standard: Powder painted Velvet Black to RAL 9005 or Chameleon (Grey White) to RAL 9002.  
Other colours available on request.

**Supplied:** Individually.

## Side Panels with Cabling Apertures

- 1000mm deep Side Panels
- 10 or 28 cut outs/cable apertures
- Each cut out/cabling aperture has blue mouldings fitted for ease of cabling
- The cut out/cabling apertures maybe blanked off if required with the use of optional blanking plates

Each cut out/cabling aperture has radiused blue mouldings fitted, protecting cabling from sharp edges

Single Blanking Plate	184C12100000

## Side Panel Security Bar

The Side Panel Security Bar prevents the removal of the side panel. The bar is fitted between the two locks on the inside of the side panel which disables both locks therefore restricting unauthorised access, unless front door is open.

Order Codes	
Description	Order Code
600mm Deep	901C00600101
