

Cannon Project Details

Deutsche Bank; Hayes, Middlesex, England

“Founded in Berlin in 1870 to support the internationalization of business and to promote and facilitate trade relations between Germany, other European countries, and overseas markets, Deutsche Bank has developed into a leading global provider of financial services.” – www.db.com

The client chose Cannon 2000 Series enclosures, which are the forerunner of the current Smart Cab and Smart Net.

The enclosures were special 850mm deep with perforated doors front and rear and supplied in Deutsche Bank corporate colours.

The roll-out programme included 600 cabinets over two years installed by Cannon personnel.
